

The 4-Block · the shape of your business

\$ STATE OF MONEY

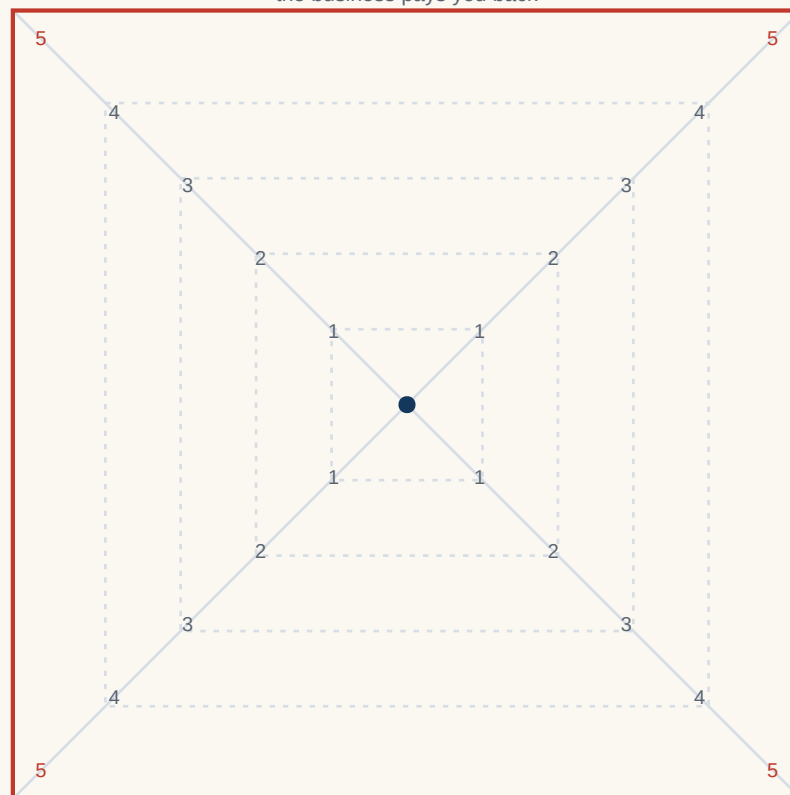

1. I know my cash position six months out.
2. I end every month with positive cash flow.
3. I have clear numbers I watch to measure cash.
4. I know how much capital growth will take.

⚙ STATE OF SYSTEMS

1. My sales process produces new business.
2. My hiring process finds the right people.
3. My follow-up process keeps my customers.
4. Expectations are set by a system, not a mood.

PROFIT

the business pays you back

PREDICTABILITY

the business runs without you

The centre of the web is the strongest place to stand. Every 4 and 5 pushes your business toward the edge.

🕒 STATE OF TIME

1. I know what's important, separate from what's loud.
2. Time on my business actually happens.
3. I plan before I act, so my days aren't just reactive.
4. Important beats urgent in my week.

👤 STATE OF PEOPLE

1. My team knows exactly what good looks like.
2. My team can say what we're worth to a customer.
3. My vendors know exactly what I expect.
4. I invest in the growth of my people.
